COMPANY BIO

About D.M.A:

The company conducts business through its centralized home office warehouse facility in Arlington, Texas U.S.A. D.M.A. Inc has been a member of the sporting goods wholesale industry since its founding in 1992. Traditionally D.M.A. has specialized in the import, export, and local distribution of high quality sporting and self defense products. From humble beginnings, D.M.A. Inc has steadily grown into one of the nations leading distributors of custom rifle accessories, knives, personal security products, and closed circuit camera Systems.

Purpose:

D.M.A.'s sole purpose is to continuously provide our customers with innovative products and uncompromising service at aggressively competitive prices.

Vision:

D.M.A. continues to grow by addressing the needs of its customers. At D.M.A. we respect the hard work and dedication that our customers put into their businesses. That is why we put our customers first and do our best to reciprocate their efforts by providing exceptional products and services with the highest emphasis on ethical business practices. It is D.M.A's sincere hope that our own hard work will earn the respect and trust of our customers in return.

Mission statement:

To become the nation's premier distributor of sporting goods by building and maintaining long term, mutually beneficial business relationships with our customers.

Core values:

D.M.A. Inc believes strongly in providing its customers with diligent service, and high quality products. We encourage growth in our employees, a strong work ethic, and insist upon honesty, integrity and business ethics at all levels. D.M.A's strict adherence to our customer first policy has brought us to where we are today.

Goals:

To increase the company's presence in the industry, while supporting the development of products and services to the firm's end consumer.

POLICY INFO

SHIPPING

All orders are shipped United Parcel Service unless previously specified. Shipping prices are set by the courier and determined by the weight and size of the package. *Please note*, some of our merchandise is oversized and requires oversized packaging, please consider this when evaluating your freight charges. We charge a \$3.00 handling fee on every order. C.O.D. orders will incur an additional charge from the courier service on every box included in the shipment. Orders are usually shipped within 24 hours from the date that the order is placed. A fifteen percent restocking fee will be applied to all shipments that are refused by the recipient. The customer will also be held liable and billed for any freight charges incurred due to returned, or refused shipments. Always verify your ship to address when placing your order.

DAMAGED PACKAGES

We do our best to make sure your package arrives in excellent condition. Unfortunately, sometimes merchandise arrives damaged. We cannot be held responsible for losses or damage sustained during transit. All shipments will be insured for the value of the contents inside the box. Damage claims must be made within 72 hours after receiving your order. In the event that you need to make a claim you must contact our customer service department at 1(800) 337-2466, we will then begin the claims process for you. Our couriers require that the originating shipper file all claims. Damage claims usually take between 5 and 7 business days to process. Approved claims will be issued to you in the form of a credit on your account. No credit will be issued until the courier has approved the claim.

NON DAMAGED RETURNS

Contact one of our customer service representatives for a returned merchandise authorization number (RMA). You may then return any unused item within 7 days for a full refund of the purchased price. We regret that shipping costs are non refundable unless the item was shipped to you by our mistake. Returned merchandise must be sent to us prepaid; we cannot accept freight collect shipments. *Please note*, all returned merchandise must be saleable in the original carton with all the packing materials included. You will need to enclose your invoice number and a copy of the RMA number for all returns. Returns that arrive without an RMA number will be refused and returned at the cost of the sender. All refunds & exchanges are subject to the final approval of our quality control division. For your protection, please use United Parcel Service or insured parcel post when returning merchandise. We do not accept returns on spray weapons or electronic products unless they have factory defects. Please send your insured prepaid package to: DMA, Inc. 3015 E. Randol Mill Rd Arlington, TX 76011.
